Our Smile Savers Dental Program offers an affordable alternative for patients without dental insurance. You will receive the same comprehensive, quality dental care with an overall savings of 15 %.

One time yearly payments may be made with cash, check or credit card. All patient payments for additional dental services provided by the program, but not outlined in one of the preventative programs, are due at the time of service in order to receive the 15% discount.

Plan duration is for 1 year from enrollment date.

The Smile Savers Program is not dental insurance, but a dental health membership program provided by Chad T. Mueller, D.D.S. LLC and is not transferable to other dental offices. The Smile Savers Program is only available to patients who do not have existing dental insurance or anticipate discontinuing their current dental insurance. It is solely the patient's responsibility to schedule and keep their appointments. No refunds will be provided for dues paid, including failure to schedule and maintain appointments. Please notify our office at least 48 hours in advance if you must change a scheduled appointment. Fees for dental services may change at any time.
